MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 6141, A Bill to Provide Health and
Medical Services for Civilian Employees
in Government Service Overseas and Their
Dependents, and for Other Purposes

1. Your attention is invited to the attached summary analysis of the proposed legislation which has been made by our Benefits and Casualty Division.

2. While the proposed bill is advantageous to the Government employee, its enactment would pose security and administrative problems for this Agency. Also, we believe clarification of the concept of employee liability set forth in Section 9 would be desirable.
